Hi Sharon

Many thanks for your enquiry.

I am able to come to your council for a full day (5 hours of training) on either a Monday, Tuesday or Thursday at a cost of £180 + VAT instead of the normal £360 + VAT (this price is only valid for this financial year). This can be booked by e-mailing me.

However, for four councillors it might be more cost-effective for them to do the online course. The next councillor training session by Zoom is on 19th May and continues on 26th May. The cost of this to your council would be £30 + VAT per delegate. This reduced rate is for a limited time only (during this financial year). I will be adding further sessions soon. This, and other sessions, can be booked at <https://bookwhen.com/norfolcalc>

Any questions, please let me know.

Yours

Jimmy
